A REPORT ON
ONE WEEK FDP PROGRAM ON SOFTWARE DEFINED
NETWORKS

24th Feb 2018

A one week faculty development programme on “SOFTWARE DEFINED NETWORKS” was held in the Department of Computer Science and Engineering from 19/02/2018 to 23/02/2017.

The FDP inaugurated by our patron chief guest Sri Vishnu Saran, Chairman and Director Dr. Sanjeev Maheshwari. This event coordinated by Ms. Shilpi Gupta. Ms. Gupta coordinator of FDP welcomed to participant and also briefly described about Faculty development Program and also discussed about Software Defined Networks and introduced also FDP speakers,

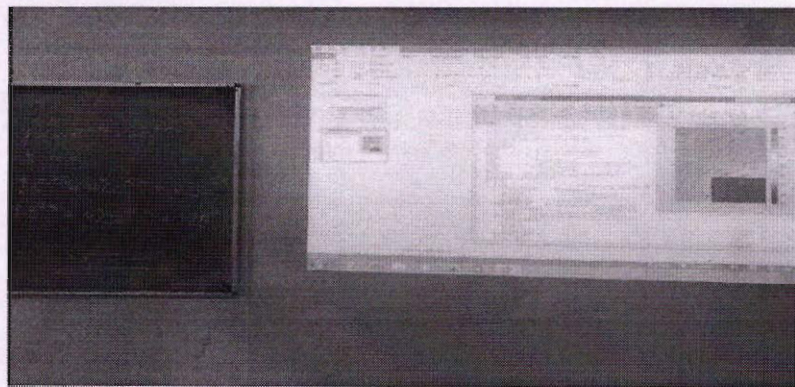

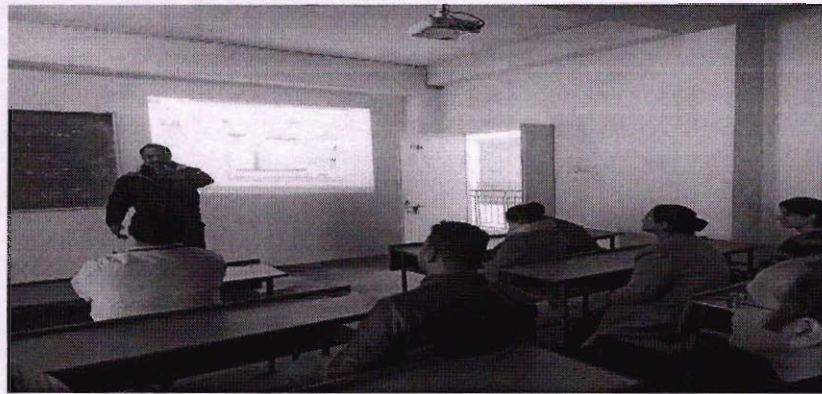

- 1) Dr. Sunil Kumar, Associate Professor, Dept. of CSE, MIET Meerut.
- 2) Ms. Shilpi Gupta, Assistant Professor, Dept of CSE, MIT Meerut.
- 3) Dr. Nargesh Kumar, Associate Professor, Dept. of CSE, MIET Meerut.

In FDP Eighteen Faculty Member participated and also received certificate.

At valedictory ceremony Ms. Shilpi Gupta, thanked to chairman and director sir for allowing us to organized the FDP for the faculty member of the department .He also expressed his gratitude to all the speakers and participant for sparing their time for the FDP.

Schedule of workshop was from 19-23 Feb 2018.

S.No.	Date	1 st Session	Lecture Delivered (Topic)	2 nd Session	Lecture Delivered (Topic)
1	19/02/2018	11-1:00 P.M	Defining Software N/w	2 to 4 P.M	Software N/w overview
2	20/02/2018	11-1:00 P.M	Delivering services from the Software N/w	2 to 4 P.M	Key drivers of Software N/w
3	21/02/2018	11-1:00 P.M	Evaluating barriers to Software Networks	2 to 4 P.M	Exploiting Service (Software N/w).
4	22/02/2018	11-1:00 P.M	Characterizing Software Networks	2 to 4 P.M	Delivering Software N/w.
5	23/02/2018	11-1:00 P.M	Deploying Infrastructure of Software Networks	2 to 4 P.M	Building a Business Case

Coordinator

Ms. Shilpi Gupta

About Program

Software Defined Networking (SDN) is an emerging technology that decouples the network control plane from the actual data which flows across the network on the data plane. By doing so, SDN introduces the concept of programmability into the network, allowing application owners, and network operators to customize network software to meet their needs.

This FDP aims at providing a forum forexperts for discussing, identifying open and potential problems of SDN. Members of the research and academic community will be able to interact on cutting-edge and ground breaking topics of SDN such as SDN architecture, interoperable SDN controller, NFV (Network Flow Virtualization), security etc. This workshop is organized by Department of Computer Science & Engineering, Meerut Institute of Technology, Meerut

Who can Attend?

About the Institute

The trust "Vishnu Education Foundation" was formed in 2007 by Er. Vishnu Saran, a well known philanthropist. Meerut Institute of Technology, Meerut (MIT, Meerut) was established in 2007 by Vishnu Education Foundation, Meerut under the leadership of a visionary and philanthropist Shri. Vishnu Saran. MIT, Meerut is one of the premier institutes in National Capital Region. The Institute have a lush green campus and located at NH – 58, Saral Partapur Bypass Road Meerut. The Institute offers various undergraduate courses in Engineering, Pharmacy, Agriculture, Commerce and Management. The Institute is affiliated to Dr. APJ Abdul Kalam University, Lucknow (Formerly known as U.P. Technical University, Lucknow) and Sh. Charan Singh University, Meerut, Uttar Pradesh. The institute offers AICTE, and PCI approved programs in Engineering and Pharmacy. In Engineering, the MIT offers B.Tech. in Computer Science & Engineering, Mechanical Engineering, Electronics & Communication Engineering, Civil Engineering and diploma and B.Pharm. programs in pharmacy. In addition to these programs the Meerut Institute of Technology-Professional Courses offers various professional courses at Bachelor's level namely BCA, BBA, B.Com, B.Sc.(Home Science) and B.Sc. Agriculture.

The institute conducts various training programs beyond the curriculum to deliver the best knowledge to the students of various streams through Code-Tantra, Aptitude Tests-Zenith, Co-Cubes Assessment, AMCAT Assessment, Amazon Web Services (AWS), Google Cloud, SALESFORCE, ADOBE, and Mission 10x- Wipro to make them workplace ready as per contemporary needs.

About the Department

The Department of Computer Science & Engineering was established in 2007, in Meerut Institute of Technology, Meerut. The Department of Computer Science & Engineering offers B.Tech, in Computer Science & Engineering. The department has well qualified faculty, support staff and well equipped laboratories. The department is fully equipped with the infrastructure and laboratories to deliver the best possible knowledge. Apart from the curricular, and extracurricular activities, department regularly organizes lectures on various technical and non-technical topics of eminent academicians, industrial experts and alumni for the faculty members and students. In addition to that, the department also organizes various training program through various online platforms like AMCAT Assessment and ADOBE. The faculty members are actively involved in research & development and also publishing their research papers in various journals and conferences.

The department has class rooms and seminar hall with ceiling mounted projectors and internet facilities. The laboratories are well equipped with latest equipments and computers. All the computer laboratories are well connected through internet and supported by uninterrupted power supply.

A REPORT ON

ONE WEEK FDP PROGRAM ON BIG DATA ANALYTICS-TOOLS AND TECHNIQUES

21th October 2017

A one week faculty development programme on “**BIG DATA ANALYTICS-TOOLS AND TECHNIQUES**” was held in the Department of Computer Science and Engineering from 16/10/2017 to 20/10/2017.

The FDP inaugurated by our patron chief guest Sri Vishnu Saran, Chairman and Director Dr. Sanjeev Maheshwari. This event coordinated by Ms. Nidhi Parashar. Ms. Parashar coordinator of FDP welcomed to participant and also briefly described about Faculty development Program and also discussed about cloud Technology and introduced also FDP speakers,

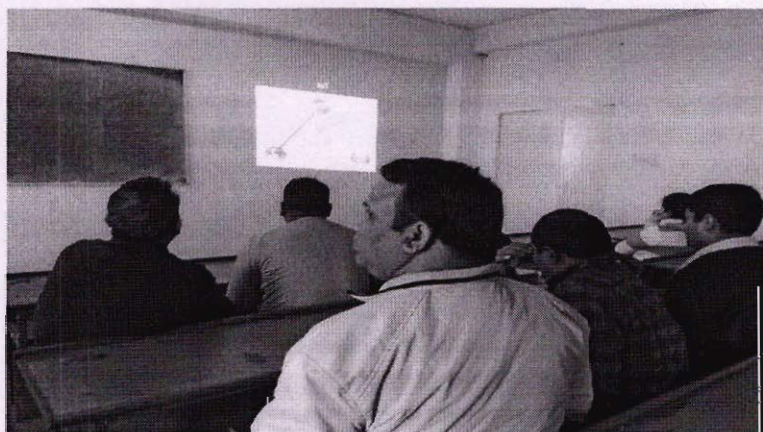

- 1) Prof. Pradeep Pant, Professor, Dept. of CSE, MIET Meerut.
- 2) Ms. Nidhi Parashar, Assistant Professor, Dept of CSE, MIT Meerut.
- 3) Dr. Mukesh Rawat, Professor, Dept. of CSE, MIET Meerut.

In FDP nineteen Faculty Member participated and also received certificate.

At valedictory ceremony Ms. Nidhi Parashar, thanked to chairman and director sir for allowing us to organized the FDP for the faculty member of the department .He also expressed his gratitude to all the speakers and participant for sparing their time for the FDP.

Schedule of workshop was from 16-20 Oct 2017.

About Program

The objective of this Workshop is to nurture the research aptitude and competency development of the young faculty members, either doing research or planning to undertake research work under the domain of Computer Science and IT, including M. Tech. Scholars. There will be technical sessions on following topics, by experts from Academia and Industry:-

To understand the concept of Big Data, Machine Learning.

To provide an exposure of recent advancements in Big Data Analytics.

To provide hands-on- experience of best practices for Big Data Analysis through various case studies.

To foster collaboration among researchers, industrial experts and academic professionals.

Who can Attend?

- Industry Professionals
- Faculty Members
- Research Scholars
- M. Tech. Students

CHIEF GUEST

(Prof. R.S. Mishra)
Head of the Department
Department of Mechanical Engineering
Delhi Technological University

I am pleased to learn that an International Conference on “Advance Research and Innovation in Engineering (ICARIE 2017) is being organized by Meerut Institute of Technology, Meerut on 26th and 27th August, 2017.

I congratulate all the organizers, Members of various committees, delegates and participants from across the country and abroad for participating in ICARIE 2017 conference at MIT, Meerut. I am sure that ICARIE 2017 will bring together the National and International talents focusing on excellent opportunities for researchers, scientists and industrialists to share and converse on the latest developments in the areas of Engineering and technologies.

The role of Engineering and technology is inevitable to improve productivity, product quality and safe working environment through innovations in the applied fields for the society, nation and international engineering developments in engineering at large.

I wish that this Conference will give more insight to the R&D and innovative initiatives in these areas. I am also optimistic that the conglomeration of eminent experts from across the globe will highlight the significance of research and innovation and discuss the best global practices.

I once again congratulate the organizing team of ICARIE 2017 especially Er Vishnu Saran (Chairman, MIET), Er Gaurav Aggarwal (Chairman MIT, Meerut), Lt Gen J.M. Garga (Director General, MIET, and Meerut), Dr Sanjeev Maheshwari (Director, MIT, and Meerut) and Mr Husain Mehdi, Organizing Secretary, ICARIE 2017 with his team. I wish that the conference will be a grand success, and help in branding Meerut Institute of Technology as a leading research institute.
