**TEACHER'S DAY CELEBRATION  
(5<sup>TH</sup> SEPTEMBER 2019)**

The teacher's day celebration was held on 5th September 2019 in **Department of Pharmacy Meerut Institute of Technology**. It was organized by D.Pharm & B.Pharm students to show their gratitude toward teachers. Teacher's day is celebrated in India in order to mark the birth anniversary of Dr. Sarvapalli Radhakrishnan who was a staunch believer of education and was a well-known diplomat, scholar, President of India and above all a Teacher.

When Dr. Radhakrishnan became the president of India in 1962, he was approached by some of his students and friends and requested him to celebrate his birthday as Teachers day. In reply, Dr. Radhakrishnan said, "Instead of celebrating my birthday separately, it would be my proud privilege if September 5 is observed as Teacher's Day". The request showed his love for teaching profession. From then onwards the day is celebrated as Teacher's Day in India.

The entire department was enthusiastic and excited for the celebration right from the beginning of the day. At 11:00 am, students were lined in front of classroom holding Teachers day greetings in their hands. Later, all teachers gathered in the Department's seminar hall for cake cutting ceremony. Sharma Principal DPMIT, thanking all the staff members for their support and encouragement, he guided the students to respect their teachers & elders, obey them and dignify the relation of teacher-students, and teachers too to be inspired from thoughts of Dr. Sarvapalli Radhakrishnan

Teachers are the real shapers of future of the students which can never be ignored. Teachers make their own lesson plan to make education more effective and interesting as well as facilitate students learning. The students took great effort and ensured that teachers enjoy every minute. The efforts of students were appreciated by teachers thus making the event a grand success.
