# MEERUT INSTITUTE OF TECHNOLOGY

## EARTH DAY

The senator was worried about the rate of industrialization and the careless attitude of everyone towards our environment. It was envisaged to promote the idea of ecology, to encourage respect for life on the Earth, and highlight growing concerns about different kinds of pollution. Plant a tree is the best way to celebrate Earth Day as it helps reduce greenhouse gas emissions, increase the amount of oxygen, controls and prevents pollution, prevents soil erosion, controls floods. On this occasion MIT organized a plantation program. Chairman, director, principal and faculty and students participated.
